

## Boarding Agreement

**Vaccination Policy:** All pets must have written proof of required immunizations & be parasite free *prior* to boarding.

DOGS: **DA2PPC & Rabies** within at least the last 12 months

**Bordetella** within at least the last 6 months

CATS: **FVRCP, Leukemia, & Rabies** within at least the last 12 months

If your pets are not vaccinated *at least 2 weeks* prior to staying with us, your pet can still be susceptible to contagions & will be treated at your expense. If it cannot be documented that your pet is current on vaccinations &/or your pet is found to have any parasite such as fleas, ticks, worms, etc, you authorize treatment here at your expense.

**Personal Items:** We recommend leaving only your pet's food & medications. To maintain our high standard for safety & sanitation, we will provide all bowls & bedding. We cannot be held responsible for any lost, damaged, or destroyed items that are left with your pet. **We charge a medicating fee of \$1 per dose & feed Purina Pro Plan diets for a fee of \$1 per cup if you did not bring food or if your pet runs out of food while here.**

**Gastrointestinal Upset:** Being away from home, experiencing new sights, smells, & sounds, eating different food, or even just being excited can affect your pet's gastrointestinal homeostasis. **Diarrhea & weight loss can be common effects of boarding.** Stool should return to normal after a few days of your pet being back at home & experiencing their normal routine. This is why we strongly recommend bringing food from home.

**Complimentary Bath:** Pets who board with us for **5 days or more**, will receive a complimentary bath the evening before they are scheduled to leave. Additional Spa & Salon services such as nail trims or grooming are available for an additional charge.

**Daycare:** Supervised doggie group play with other dogs of similar size is free while boarding. There are inherent risks associated with group play & **it is play at your own risk.** It is designed for dogs that are not too aggressive or too submissive who are socially compatible with other dogs to interact together off leash which involves jumping, wrestling, & playing using teeth & toenails & they can get wet &/or dirty. If you would like your dog to participate in group play, you agree to hold the Animal Clinic of Grand Prairie & all personnel harmless. Your signature acknowledges that you are aware of the risks involved with group play including serious or potentially fatal injuries, disease, &/or escape. You accept responsibility for your dog's behavior & accept all financial responsibility for your dog(s).

**All prices are by weight per day including day of check in & day of check out.** Check in & check out time is any time during lobby hours Monday-Friday 8am-6pm & Saturday 8am-1pm. **We ask that you please check in by 5pm M-F or by 12pm Sat if your pet needs any meals, medications, vaccinations, &/or if it is their first time staying with us.** Payment for the services provided are due in full at the time your pet is released from the Animal Clinic of Grand Prairie with NO EXCEPTIONS & you may be asked to pay a deposit for longer stays.
